Dear Tej Gundavelli,

On behalf of the students in the McKinney-Vento Program at San Jose Unified School District, I wish to thank you for the donation of 144 sweatshirts. The families in our program for homeless students are very appreciative when they receive support with clothing items, especially for warmth this time of year with fall and winter approaching.

The San Jose Unified School District is a local government agency organized and operated pursuant to the California Code and Education Code. Gifts to government agencies, including public schools, are defined as charitable contributions under IRS Code Section 170 (c) (1) if the contribution or gift is made exclusively for public purposes.

Yours sincerely,
